Story Structure

Piper looked up at the Ferris wheel spinning over the park. Butterflies seemed to swim in her stomach. Her hands were getting sweaty. Andrew, her best friend, only wanted one thing for his birthday - Piper to ride the Ferris wheel with him. She was afraid, but she had to do it. Piper and Andrew got in their seats and buckled in. She closed her eyes tightly as they started to move. Finally, she opened her eyes; she could see everything - all the games and rides and people! "Wow!" she thought. "Ferris wheels are pretty amazing!"
