is this language contribute to the meaning of t

A curly headed kid with a sunshiny smile
Heard the roar of a plane as it sailed through the sky
To her playmates she said with a bright twinkling eye
My daddy rides that ship in the sky!

My daddy rides that ship in the sky
My daddy rides that ship in the sky
Mama's not afraid so neither am I
My daddy rides that ship in the sky.

The Case of the Missing Pup

Kia gazed out the window of June, and she wanted to go to the park to see her neighbor Mario sitting on the bench. He was holding a puppy that was quite unhappy. He was holding a sad face.

Kia was very concerned.

Answer Questions
Answer the following questions to the question, you will need to:

1. Why was there a gas

620L Answer Questions Name: _____ Date: _____

The Case of the Pencil Box Thief

Mrs. Fig announced that it was time for the students to have their addition speed test. Everyone scrambled excitedly for their pencils in their pencil boxes. They loved to be timed on their math facts. Suddenly everyone heard a gasp.

Miah shrieked, "All of my pencils are gone! I just put a brand new pack of pencils in my pencil box this morning and..."

Mrs. Fig stated, "I'm sorry, Miah. I misplaced them Miah. They were handed Miah her pencil to..."
