

Addition to 1,000

2.NBT.B.7

Explore

Add the numbers using the standard algorithm or choose a strategy from the strategy box. Drag and drop it to the bottom of the slide. You will need to add a text box to type the answer if you use something from the strategy box. Use the letter in the secret code box to solve the riddle on slide 41.

Addition 1,000 with Regrouping

$$298 + 227 = \boxed{525}$$

Be sure to look at the ones and tens columns when you are done. If you have more than 10 ones or more than 10 tens, you have to bundle them to make a new group of ten or a new group of 100.

Decompose to Solve

$$\begin{array}{r} 504 \\ + 239 \\ \hline \end{array}$$
