matching

Directions:

1. Choose one page of cards. Cut out and shuffle the cards, being careful not to mix them with cards from other pages.
2. Place cards face up in neat rows.
3. Set a timer according to the level of difficulty you choose below.
4. Move quickly to create matches between equivalent measurements. Once you have matched two cards, remove them from the playing field and set them aside.
5. Can you create all the matches before time is up? See if a friend can beat your time!
